**uca Zbârcea & Asocia?ii** was invited to be the exclusive country contributor to the CEE Legal Matters Comparative Legal Guide: Competition 2021 for Romania. The firm has also co-edited the inaugural edition of the guide. The guide presents an overview of CEE's competition regimes. It includes an outline of the main competition pieces of legislation, any notable recent updates, the main concerns of the competition authority as well as its sanctioning record, how a leniency policy is applied and how unilateral conduct is treated in each country, an overview of relevant recent abuse cases, if and how State Aid can be obtained, as well as any major changes brought on by the COVID-19 pandemic in the field - and more!

The Romania chapter was written by Partner Raluca Vasilache and Managing Associate Andreea Opri?an. Download book [in pdf format.](https://ceelegalmatters.com/Magazines/Guides/CEELegalMatters_ComparativeGuide_Competition2021.pdf)
